“It was a pleasure working with Breckenridge during the Alcon R&D Christmas Party. I have heard many good comments about your performance and I personally think you guys are great. Thanks for being good sports and working with us to capture embarrassing moments and obtain blackmail photos of those we love! We had a great time.”

“Our Annual Conference Gala was a great success this year, due in large part to your super performance. Your playing is excellent, and providing dance instruction is a wonderful plus. It’s a guarantee that everyone who wants to can join the fun. The Gala is the final event of MASA’s Annual Conference and the success of the evening affects how people view the whole meeting. As I told you, it was the most fun I’ve ever had at an MASA conference, and a lot of people seem to agree. I’d recommend you guys to anyone! Thanks.”

“Wow, what a band! People are still talking about Breckenridge. Thanks so much for everything you and the rest of your band contributed in making our recent TFIA Annual Convention and Southwest Supermarket & Convenience Store Expo a great success. I would highly recommend Breckenridge to anyone! And most of all, I really appreciate the band making me look good. I look forward to working with Breckenridge again the next time we are in Dallas.”
